RE: 2011-2012 Addendum to Catch Basin Cleaning Bid Results

DATE: May 6, 2011

As you already know, the Hartigan Company, 31 Welch Park Drive, Middlesex, VT 05672 (802) 223-3452 was the low bidder for catch basin cleaning with a **per basin price of \$26.36**, including meeting all special requirements by several of the municipalities.

But, the low bidder on an hourly basis was: Southern Maine Sitework, Inc., (207) 657-3835, with a **per hour price of \$100.00**.

In their review of the cost for this service, several towns asked to split the award enabling them to choose between an hourly approach or a per basin approach.

A summary of the bids by vendor is attached. The integrity of the bid process hinders on each town contracting their cleaning either on a per basin basis or an hourly basis with the firm that provided the low bid.
