

Bid Name**Description****Catch Basin Cleaning**

Bids for this service are requested on both hourly and per basin. Bidders must have a Vac All, or equal, catch basin cleaner with a minimum capacity of 13 CY and 12,000 CFM at intake, revolving power boom and capability of cleaning a 20' deep basin.

contract period:

[5/1 - 4/30]

non-member fee:

[4% of invoiced amount]

[Spec File](#)[Results File](#)**Christmas Tree Recycling Program Promotion**

This program allows communities with tree recycling programs to obtain newspaper advertising, fliers and posters to promote their programs. Fliers and posters are delivered to each participating town by early December. A newspaper display ad runs on Christmas Day.

contract period:

[December]

non-member fee:

[Total Cost Shared]

AT&T Cell Phone Plan

The Greater Portland Council of Governments and AT&T Mobility have partnered to offer all GPCOG members a 15% monthly discount. As an extension of the State of Maine plan, this program is available to all GPCOG member municipalities and their departments, member school departments and all member municipal and school employees.

Starting immediately, plan participants who want to sign up for service or equipment, or make a change in service or equipment will need to visit one of the area AT&T Mobility stores. If you

contract period:

[Ongoing]

non-member fee:

[members only - no fee]

are signing up for a personal plan as an employee of a town or school, you will need to provide evidence of your employment to receive this discount. Members only, click the Member Spec file for the employee discount number.

Copier Paper

contract period:

[March through August]

non-member fee:

[1.5% of white letter]

In exchange for purchasing a year's supply of paper, this bid offers members the opportunity to receive excellent prices that include delivery on the highest quality dual-purpose copier paper. This bid includes letter, legal and 11 x 17 white bond; pastels, fluorescents or brights; and recycled paper. The bid is scheduled for spring to obtain best pricing; however, delivery can be taken anytime through August.

Culvert Pipe

contract period:

[July 1 through June 30]

non-member fee:

This bid allows communities to receive low prices on aluminum alloy pipe, N-12, SDR-35, drainage tubing, CMP and aluminum coated Type II CMP and poly pipe. Because manufacturer pricing of culvert pipe can be very volatile, this bid is specially structured so that following a 90-day fixed price period, vendors are permitted to increase prices with written proof of manufacturer increase.

Paving, Reclaiming and Crack Seal

This bid enables towns to receive competitive pricing on one of the most expensive services they require. Individual pricing, based on each community's scope of work, commands much lower prices than communities are typically able to obtain on their own. Although most communities prefer Superpave, Maine DOT spec B, C, and D mixes are still offered by some contractors.

contract period:

[one year beginning 4/15]

non-member fee:

[2% per ton]

[Results File](#)

Road Salt

In one of the largest road salt bids in the state, participants pay one of the lowest prices per ton available anywhere for fully covered salt delivered. Picked up salt is offered as an option. All salt is laboratory tested and must meet stringent specifications for gradation, moisture and sodium content.

contract period:

[July through May]

non-member fee:

[1 1/2% per ton for non-members (3/4% to members)]
