

Mobilize Maine Discovery Meeting

North Dam Mill, 1st Floor, Biddeford

Thursday, February 16th, 2012, 3:00 – 5:00 PM

Action! Over the past few months many of you have been working on or heard about Mobilize Maine in this region. Come and learn more about all that is going on and lend your ideas to the beginning of the next phase of this effort.

Agenda: *Hear reports and get involved with action teams working right now*

- **Goal setting** for the region is nearly complete
- **Workforce Development Action team** is meeting to address regional opportunities and challenges
- **Access to Capital** has been identified as something the region needs to jumpstart the economy and to help businesses succeed
- **The Recruitment team** has been hard at work to develop greater private sector involvement and create diversity of input

*Be part of the discussion that focuses on **the assets of Southern Maine***

- This will be the first of several meetings around York County that will gather information about what unique assets we have and how we can leverage them to meet our goals

Do not miss this high-energy meeting and help shape the future of your region.

Space is limited. For more information contact
