ANNOUNCEMENT

TRANSPORTATION OPEN HOUSE AND PUBLIC MEETING

Thursday, February 10, 2005

4:00 – 8:00 p.m.

Scarborough Municipal Offices

Light Refreshments will be served

Open House – 4:00 – 6:00 p.m.

Transportation officials and planners from MaineDOT, Maine Turnpike Authority, PACTS, GPCOG and SMRPC are hosting a 2-hour Open House for the public to find out more about transportation issues and concerns. Staff from these agencies and transportation committee members will be available to answer transportation questions regarding state transportation funding, long range planning, and major transportation projects. There will be information tables on the *PACTS Destination Tomorrow Long Range Plan*, Land Use, Public Transportation and Economic Development. The public is invited to participate in an informal setting and ask questions regarding transportation plans, projects and policies.

Public Meeting – 6:00 – 8:00 p.m.

The Southern Maine Corridor Steering Committee will convene its monthly meeting from 6:00 – 8:00 p.m. with staff presentations from MaineDOT (Long Range Planning), PACTS (*Destination Tomorrow Plan*), and GPCOG/SMRPC (Regional Needs Assessment). This will be followed by a one hour question and answer period for public input on plans and projects. This committee is in the process of developing a Regional Needs Assessment.
