**Traffic Incident Management Group
Communications Interoperability Task Force
AGENDA**

Monday, May 7, 2007

9:00 PM – 11:00 PM

Maine Turnpike York Maintenance Facility

1. **Welcome & Introductions**
2. **Development of “Major Incident” Levels as they relate to Communications**
 - Have established criteria for what is a “major incident” – incident levels
 - Identify high ranking agency members available on 24/7 basis to respond to a major incident
 - Have a pre-identified (approved) contact list of resources (including special equipment) for detouring, incident clearance and hazardous materials response
3. **Communications Specifics**
 - Call down list
 - Inventory of resources for detouring, incident clearance and hazardous materials
 - Role of emergency operations centers in York and Newington, NH
4. **Next Steps**
